

# Carers Week

## 11th-17th June 2018

This Carers Week we are looking at all the ways we can support carers to stay healthy and connected. Building communities which support carers to look after their loved ones well, while recognising that they are individuals with health and wellbeing needs of their own.

Carers Count will be out and about throughout Kirklees during Carers Week. Come and join us to find out more about support available for carers.
